4 February 2016

Dear Parents/Caregivers

In 2014 we began a homework centre to support Secondary students in Mathematics. This has proved to be very successful and as such we will be continuing this support for the 2016 academic year.

The Mathematics Support Sessions will operate Monday afternoons from 3:45 - 4:45pm. Students are encouraged to attend for the full one hour session. If students choose to leave early they will be their parent’s responsibility.

Students will need to have a specific focus for the session (eg homework task) and not rely on work being provided for them.

Yours faithfully

MERRIWA CENTRAL SCHOOL
MATHEMATICS SUPPORT SESSIONS

I give permission for my child ____________________________ to attend the Monday afternoon Mathematics Support Sessions from 3:45pm to 4:45pm.

I recognise that they are my responsibility if they sign out early.
